Re: *Petition to Establish Generic Docket to Consider Amendments to
Interconnection Agreements Resulting from Changes of Law*
Docket No. 04-00381

Dear Chairman Jones:

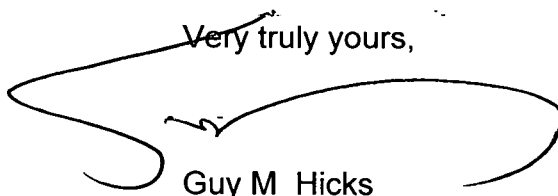

On October 14, 2005, CompSouth submitted materials to the Authority that went far beyond answering the question posed by the Authority to CompSouth in the September 23, 2005 "Notice of Filing." The Authority's "Notice of Filing" stated as follows:

Please provide an explanation of the process Mr. Gillan used to determine his business line counts and all documents used in the process of calculating Mr. Gillan's business line counts

Two pages of CompSouth's four page filing do not even address the process Mr. Gillan used to determine his business line counts. Rather, Mr. Gillan addresses testimony and exhibits used in the recent Alabama change of law Hearing that were not used or made a part of the evidentiary record during the Tennessee Hearing. See, pages 3 and 4 of CompSouth's four page filing.

Rather than filing a motion to strike the nonresponsive and inappropriate sections of CompSouth's filing, BellSouth is prepared to file a response so that the Authority will have information from both BellSouth and CompSouth to evaluate. BellSouth will file its response before post Hearing briefs are filed on October 28, 2005.

Very truly yours,

Guy M. Hicks
